PASSPORTS
Full name:

[ ] I have a passport. [ ] I will need to apply for a passport.

Please provide a copy of the photo/information page to the Rector’s office.
PROGRAM INCLUSIONS
This program represents a unique experiential-learning opportunity in an overseas environment. It presents the chance to grow academically, and to be part of a new and vigorous commitment to increase global awareness at Chatham Hall. It is a program of academic and experiential heft, taking place over 13 days in Helsinki, Finland and Tallinn, Estonia.

Pricing is set at a level designed to defray both academic, program, and travel costs, as follows:

**Academic program design & delivery.** This is an experiential learning opportunity of substance and rigor, tailored specifically to the needs of Chatham Hall, its students, faculty, alumnae, and parents.

**Access to an array of** in-country partner schools, educators and civil-society activists, wildlife experts, food security advocates, historical and cultural venues, and service project sites, as described in the daily program.

**International airfare from Washington,** including taxes and fees.

**International-class hotel accommodation and meals.** (Accommodation based on double occupancy.)

**International-class coach transport** throughout Helsinki & Tallinn, luxury ocean-going ferry from Helsinki to Tallinn & return – and round-trip overland between Tallinn & Estonia’s Lahemaa National Park

**Local guiding and program management,** plus entrance fees to indicated venues. **Travel Insurance:** We suggest that participants secure travel insurance. **Deposits and final payments are non-refundable.** See, for example, travelsafe.
